

*Be your best self*

**ST GEORGE'S  
AWARD**

**KINDNESS | HONESTY | COURAGE**

## ST GEORGE'S AWARD

Based on the core principles of the Duke of Edinburgh Award, and modelled on the Prince William Award and Round Square ideals, the St George's Award programme focuses on building character and skills, increasing self-confidence and wellbeing.

Following on from the virtual launch of the Award during the summer term, we are delighted to announce that it will start officially in the Lent term 2021. The Award is divided into three stages, based on age with a celebration event planned for the summer that will bring all three groups together.

- SELF-BELIEF
- RESILIENCE
- COURAGE
- GOOD HEALTH
- GRATITUDE
- OPTIMISM
- PASSION
- CONFIDENCE
- COMPASSION
- CONSCIENTIOUSNESS
- SELF CONTROL
- SELF-AWARENESS
- EMPATHY
- SELF-REGULATION
- LISTENING
- SHARING
- COOPERATION
- CARING
- TRUST
- ASSERTIVENESS
- TEAMWORK
- PROBLEM-SOLVING
- RESPECT
- RESPONSIBILITY
- COMMITMENT
- NEIGHBOURLINESS
- KINDNESS
- APPRECIATION

The St George's Award is voluntary but we hope as many of you as possible will get involved! Each stage will run as separate after-school activities on Tuesday afternoons from 4.10-5.30pm.

Places in each of the groups are limited to 20; in the event we are over-subscribed, there will be an opportunity to get involved at a later date. Any choristers who wish to be involved will have an opportunity to do so during the evening clubs run in the boarding house.

Weekly tasks will be set for pupils in each year group based on the key Award areas, tailored appropriately for the age and stage of the children. The pupils will have a branded Award note book, plus access to Google Classroom, and will receive their badges and certificates at a ceremony at the end of the year once they've completed all tasks across all areas of the Award stage.

We are piloting the award this year and will develop it further following feedback from participants. Also, due to current covid restrictions, the timings, staffing, groups and pupil numbers may run slightly differently, but will revert to normality once we're allowed. We hope the pupils will enjoy spending time on this!
