

St George's School Windsor Castle
Behaviour Support and Sanctions Policy
THIS POLICY IS CURRENTLY UNDER REVIEW

This policy describes our expectations for good behaviour and the procedures and levels of sanctions at St George's so that they are applied in a positive and consistent way.

This is a whole school policy and should be read in conjunction with the school's Anti-Bullying Policy, the Student Code of Conduct and the Rewards Policy.

It includes four tables which illustrate the procedures for dealing with supporting and recording behavioural concerns or incidents.

Table 1 – Behaviours related to COVID19

Table 2 - Prep School (Years 4 – 8)

Table 3 - Pre-Prep (Years 1 – 3)

Table 4 – EYFS

The Boarding House operates a separate Behaviour, Support and Sanctions system which is relevant to the boarding community (see Section 5 of the Handbook and/or the 'Staff Guide to Boarding' document).

Introduction

At St George's School we aim to develop happy and confident children who learn successfully by providing a secure and stimulating learning environment. St George's is a place where each individual is valued and respected within the whole school community regardless of race, gender or ability and offered the maximum opportunities for personal achievement.

We provide an environment in which every student can develop to the full: intellectually, spiritually, morally, creatively and physically, within a school with a strong Christian ethos. We seek to recognise effort as well as achievement. Equally, in seeking to provide a high quality of education where we continue to strive to enhance our academic standards, students are expected to behave in a considerate and responsible way to all members of the school community.

The Behaviour Support and Sanctions Policy at St George's School is based on personal responsibility and accountability. We acknowledge the importance of rewards and praise in developing and promoting each student's self-confidence, but we also recognise that, on occasions, there may be a need for sanctions. The form tutor is responsible for the general discipline within his or her form although every member of staff has a responsibility to ensure that this policy is followed.

The guiding principle for all of us at St George's School is that all members of the community should work together in a considerate and responsible way at all times, showing mutual respect.

Incidents of poor behaviour are dealt with according to the stages described in Tables 1, 2, 3 and 4. These illustrate progressive levels of sanctions although a serious issue could go straight to Stage 3, Stage 4 or Stage 5.

Any incidents of bullying will be dealt with according to the Anti Bullying Policy

SEND

These sanctions and strategies apply to students in the Prep and Pre-Prep and EYFS, but under the Equality Act (2010) we are mindful of the need to apply reasonable adjustments for children with special educational needs/disabilities. Staff know which students have SEND needs through individual student plans and would use strategies outlined when dealing with behavioural issues. If the behaviour persists staff inform the Head of SEND who makes observations, provides alternative strategies or works with the student to address specific issues.

Transition

The Behaviour, Support and Sanctions Policy includes clear separate guidelines for the various stages of behaviour and the appropriate action for both the Pre-Prep and the Prep School.

Students are supported in their transitions year to year and Pre-Prep to Prep School through:

- Communication and handover meetings between class teachers; pastoral teams and the Head of Pre-Prep & Assistant Head (Pastoral)
- Move up days
- PSHE lessons about how to manage change and concerns are listened to.
- The expectations for behaviour are discussed in Form and Class groups at the beginning of each year.
- Increased integration of Year 3 with the Prep School during the Trinity Term through joining assemblies, house events and meetings.
- Year 7 take on positions of responsibility during the Trinity Term
- Expectations and responsibilities for Year 5 increase throughout the year to prepare them for Year 6. All children are reminded about behaviour and discipline at the start of each term, when rules are agreed within the class.

When students leave at the end of Year 8, contact is made with their next school regarding any specific behaviour or pastoral needs. Contact is also made with a child's previous school, should it be appropriate to discuss any matters to support the transition process.

Corporal Punishment

In line with legislation, the school does not permit in any form the use of corporal punishment and does **NOT** allow any employee, whether teacher, classroom assistant or member of support staff, to impose or threaten any form of corporal punishment.

Restraint

On the very rare occasion that a member of staff needs to restrain a child, they may **ONLY** do so when:

- A student is in danger of physically harming another child/ teacher;
- A student is in danger of physically harming themselves.

Any restraint used must be a proportionate response to the likelihood of harm being suffered/ inflicted. Should a teacher/ member of support staff need to restrain a student, the incident should be reported to a member of the SLT as soon as is practicably possible and this will be logged in the Restraint Register (held in the Head's office). In the event of a child having to be restrained, the parents will be informed as soon as possible. Refer to the Professional Code of Conduct for Staff.

Monitoring Cards

The purpose of the Monitoring Card is to help a student change their behaviour through recognising when things are going wrong and prompting discussion about how they can make better choices.

Monitoring cards may focus on behaviour, effort, organisation or uniform but often Form Tutors or Class teachers create individual cards which support students in targeting specific areas and which recognise their personal incentives.

Monitoring cards allow subject teachers to make a comment for each lesson and break times, relevant to the targeted area. The Form Tutor or Class Teacher checks the card daily and parents are asked to sign the card every day. Cards are reviewed weekly by the Form Tutor or Class teacher and the relevant Assistant Head, to look for patterns and improvement. This will inform any decision to continue with the card or whether additional support is needed.

Internal Suspension

Should a student display behaviour relevant to a Stage 4 sanction the Head of Prep School will meet with them. The incident will be investigated and the student concerned will have the opportunity to discuss their behaviour and produce a written account of the incident. Following consultation with the Head, the Head of Prep School will arrange a meeting (telephone or video call during COVID19) with the parents of the child to explain the incident and inform them of the Internal Suspension in writing (a copy of which will go in the student's file). An Internal Suspension requires the student to work independently from their class for all timetabled lessons for the period of one or two days. The student will be supervised by a member of staff and will have appropriate work set by the subject teachers to complete. They will have a short break in the morning and will be escorted to and from lunch at the usual time. Due to the guidelines during COVID19 the supervision will be in a well-ventilated room (windows and doors open) and the member of staff will remain socially distanced at all times with a face shield or screen.

External Suspension

Should a student commit a more serious offence or not respond to any of the above sanctions, the Head, or the Head of Prep School in their absence, has the right to suspend a student from school for a period of time. This will only be applied after consultation with the Chair of Governors or other appointed Governor, and parents, wherever possible, will be present at the suspension interview.

Exclusion

The Head may use the sanction of exclusion in extreme circumstances, once all other sanctions, including suspension, have been exhausted. Exclusion will be for a fixed number of days. Parents will always be present for such a meeting when this sanction is imposed. Some instances of exclusion may happen suddenly, when for example the behaviour of a particular child is seen to threaten the moral or physical wellbeing of other students in the school. In very exceptional circumstances a child may be excluded permanently from school. Any decision to exclude a student will only be taken following consultation with senior colleagues and with the agreement of the Chair of Governors.

It must be stressed that, whilst these sanctions are in place, suspensions and exclusions are extremely rare.

Record Keeping

Reports on poor behaviour are recorded in the incidents section in the Students Daybook on the school server (P:). Verbal evidence is also collected at staff meetings or in other meetings with relevant colleagues and will be recorded electronically in the student's Daybook.

There is regular communication between teaching staff/form teachers and senior staff at all times regarding student behaviour.

TABLE 1 Prep School Years 4-8

We are alert to the different ways that children may be affected by the restrictions in place around the coronavirus and that behaviour may be affected. We are particularly sensitive in how we respond to inappropriate behaviour during this time and recognise the importance of reinforcing the learning around hygiene, the virus and safety rather than applying a sanction. Parents will always be contacted when poor behaviour relates to virus safety and the school works with parents to support the student.

Exclusions are used as a last resort after many other behaviour strategies have been tried. Internal exclusions requires a student to be excluded from peers during break times, lunch times or lessons and to be supervised within the classroom.

Involvement of Parents

Any staff needing help or advice in dealing with a particular incident or child should speak to the Head (Pre-Prep).

TABLE 4 EYFS

EYFS

Acceptable and unacceptable behaviour is part of daily Early Years life. Early Years staff use a range of strategies to promote positive behaviour and progress. They aim to constantly praise good behaviour with recognition, stickers, certificates and extra responsibility. Staff set good examples and act as role models particularly with regards to manners and caring for one another. Procedure for dealing with inappropriate behaviour depends on the maturity and emotional needs of each individual. Inappropriate behaviour is addressed through stories, role-play and discussions. When inappropriate behaviour starts to become persistent, constructive, yet sensitive, communication with the parents is paramount. Children need subtle support so as not to become labelled. In some situations, an adult will work alongside a child to support them. Stickers/charts might be given to mark progress if appropriate. In the EYFS class teachers deal with behaviour generally. All staff support each other and understand the importance of sharing information. In line with statutory requirements 3.52, The Head – Pre-Prep records any occasions where physical intervention is used and when the parents were informed and by whom.

Intervention guide to correct unacceptable behaviour is as follows by:	
1	Reasoning/discussion with the student of good and bad choices
2	Student's behaviour discussed with the Head of Pre-Prep
3	Meeting with Parents and Class Teacher
4	Meeting with Parents, Class Teacher and Head of Pre-Prep

5	The involvement of the Head
6	Written warning to parents re possible need for withdrawal
7	Permanent exclusion of Student

Steps 3 – 7 must be recorded on the Daybook
